Dear Friends,

**IMTEX 2025 & Tooltech 2025**  
**International Machine Tool & Manufacturing Technology Exhibition**  
**23 - 29 January 2025**  
**Bangalore International Exhibition Centre, Bengaluru, India**

I am pleased to inform that IMTEX 2025, Tooltech 2025 & Digital Manufacturing 2025, is scheduled from 23 - 29 January 2025 at Bangalore International Exhibition Centre (BIEC), Bengaluru. One of the most recognized shows among the top global machine tool exhibitions, IMTEX has been an undisputed leader in ushering manufacturing growth in India for more than five decades.

The Government of India's industry-friendly policies have enabled businesses to grow strongly, and India is turning into an alternative global hub for manufacturing. While India's manufacturing growth story continues, industries need to embrace emerging technologies and adopt them quickly to move in accordance with the global order. IMTEX is where industries source the latest cutting-edge technologies.

The exhibition has played a significant role in bringing diverse groups of machine tool builders and users from across the world to facilitate technology exchange, business growth, and knowledge sharing.

IMTEX 2025 will have concurrent shows, viz Tooltech and Digital Manufacturing. Tooltech shall showcase parts, accessories, and systems for machine tools. Digital Manufacturing shall feature products and solutions on Industry 4.0 and Additive manufacturing.

IMTEX, Tooltech & Digital Manufacturing 2025 would have around 1000 exhibitors from more than 20 countries occupying an approximate gross area of around 80,000 square meters. The main success of IMTEX lies in the presence of numerous focused business visitors and trade delegations from a wide spectrum of industry sectors.

I take this opportunity to invite you to participate in IMTEX 2025, Tooltech 2025, and Digital Manufacturing 2025.

Look forward to your confirmation of participation at the earliest.

Yours Sincerely,

Jibak Dasgupta  
Director General & CEO  
IMTMA

# Guidelines & Application Form

## IMPORTANT INFORMATION

To ensure that arrangements run smoothly and your participation in IMTEX / Tooltech 2025 is a success, please take a careful note of the following conditions and the dates mentioned under 'Schedule'.

### 1. Deadline for Submitting Applications

Please return your application form latest by **30 June 2024** (see Article II/7d). Space will be allotted on "first come first serve basis".

If demand for space is very high, high quality temporary halls will be made available. Exhibitors who has registered closer to cutoff date will be provided space in these temporary halls.

### 2. Deposit

a. Please note that the Organisers will not process application forms which are not accompanied by the necessary deposit (**25% space charges including Open side charges, Prime location charges & Mezzanine charges - deadline 30 April 2024**). To avoid unnecessary delays in registering your requirements, please make sure that you attach your deposit amount to your application.

b. 35% of space charges + 100% security deposit (**deadline 30 June 2024**) is necessary for confirmation of space. (see Article III15b)

### 3. Exhibits

Only the products listed in Article I/5 are permitted as exhibits.

Exhibitors displaying "Permissible exhibits" at both IMTEX & TOOLTECH shows should participate in respective shows.

If exhibitors wish to display both IMTEX & TOOLTECH exhibits together, the area of the exhibits should be at least 75% or more in the category of the application you wish to register. For eg., if you wish to register under IMTEX, the area allocated for IMTEX exhibits should be 75% or more and balance for TOOLTECH exhibits.

a. **Digital Manufacturing:** Exhibitors in IMTEX or Tooltech can display their Digital Manufacturing technologies either in their IMTEX or Tooltech space or by taking additional space in Digital Manufacturing Pavilion.

b. Exhibitors displaying only Digital Manufacturing products should apply separately in Digital Manufacturing Application.

### 4. Minimum Stand Size

Please note that in accordance with Article III/11a, the **minimum stand size for Raw space is 30 sqm. and for Shell scheme stands is 15 sqm (Tooltech 12 sqm).**

### 5. Stand Facilities

Please ensure that you fully comply with the conditions on stand facilities, **especially the stand wall height not to exceed 3 m.**

### 6. Exhibitors' Manual

The soft copy of Exhibitors' Manual will be sent out on **30 September 2024 together with the stand allocation advice.** It would include order forms which you should use to order additional services you require.
